**One opportunity - Three adventures- Four magical experiences
EGYPT from 13-23 October, 2023**

FAYOUM-CAIRO- ASWAN-LUXOR

KONSU is super excited to collaborate with the master life coach and reiki healer Sara Vie on curating this magical journey just for you!

Beginning this journey in Fayoum Oasis, 50-min south of Cairo, provides the perfect start because we will explore the world of meditation and yoga in a serene and private lodge in the middle of the oasis capturing both Egyptian farm life and desert activities. Pottery, bonfire, bird watching, visiting the water falls and fossils museum are some of the activities of the first few days.

Moving to Cairo, the second adventure, to explore its vibrant days and nights with its-never sleep- vibe and unravelling it as an ancient and modern capital of Egypt. We will stay in one the most exclusive boutique hotels in the heart of Cairo in Almoaz Street. Get ready for your first camel ride around the great Pyramids of Giza and pyramid of Sakkara. In Cairo, we will do daily site seeing tours in the mornings and in the afternoons we will experience different cuisines, sound and light show and dancing shows.

The third and last adventure will be along the Nile River. We arranged for a 3-nights Nile-cruise that starts out in Aswan and sails up to Luxor, passing by KomOmbo, Edfu, and Esna. An unparalleled experience full of spirituality of ancient Egypt where we will unravel layers of energy and self-discovery while cruising the sacred river.
